BCAP will not knowingly accept donations from corporations, foundations, other organizations, events or individuals, nor will it participate in or endorse an event, or employ third party fundraisers that are not supportive of its mission statement or is inconsistent with its inclusivity values.

Corporate sponsors are prohibited from contacting or directly soliciting BCAP clients for the purchase of any product.

BCAP will decline gifts that would compromise the ethics of the organization or its constituents, and thus will not knowingly accept gifts from any organization known to have violated human rights or engaged in criminal activity.
